Wall Praise

If your walls could talk...what would you want them to say?

We know that there is more to walking the Christian life than just putting Bible Verses on our walls. We believe that placing the Word of God in your environment can help you stay on track with God.

Fix these words of mine in your hearts and minds; tie them as symbols on your hands and bind them on your foreheads. Write them on the doorframes of your houses and on your gates...

Deut. 11:18-20

What is Wall Praise?

We produce a product that can be put on your walls that looks like lovely hand painted lettering. The lettering is made of a thin, flexible vinyl that looks like 3 coats of paint on the wall. The vinyl comes to you pre-pasted, pre-spaced and ready for you to apply.

You will receive your Praise, instructions for applying your Praise and an application tool with each order.

When you are ready to change your Praise, use your application tool and gently scrape back the edge of your Praise-you can also use a blow-dryer to gently heat the vinyl. This will allow it to easily peel from the wall leaving no residue.

With Wall Praise, you can customize many items in your home-with just a picture of material we can make you a custom Decor items! Ask your Praise Team Member for more info!
